# Attention!

This form must accompany your application.  
Your application cannot be processed without  
this form!

One of the primary benefits of belonging to Milwaukee/NARI is being included in both our print and online Member Directories. These directories are free and supplied to any consumer seeking a contractor to assist them with their home improvement needs.

Use the category listing (on the reverse side of this form) to indicate which area you would like to be included in for our both print and online directories (they don't have to match). Additional placements can be purchased for \$25.00 each.

Please circle your choice and indicate "P" for print or "W" for web directory placement. **If only one category is selected**, we will assume you would like the same category for **both** directories.

In addition, we recognize that our application does not include space for an email or website address. Please indicate these below:
